Federally funded with LSTA funds through the Massachusetts Board of Library Commissioners

## THE SCHOOL HAS NO CATALOG

THE school does not publish a catalog. This special issue of the school paper, *THE ARCHON*, is designed not only to replace the usual school catalog but also to provide a more intimate and complete picture of the life of the Academy.

The school will be glad to send additional copies of this booklet to you or to other persons who may wish to secure accurate, up-to-date information about Governor Dummer.

The usual format, appearance, and arrangement of the school paper have been preserved; the text and most of the photographs are reprinted from the regular issues published during the school year 1941-42. The remainder of the photographs are reprinted from the current issue of *The Milestone*, the school year book.

An appendix on the last two pages contains a complete list of trustees, masters, and students of Governor Dummer Academy for the school year 1941-42.

AIR VIEW OF GOVERNOR DUMMER ACADEMY

*The central portion of the picture shows the campus proper, with the Newburyport turnpike in the foreground. The white building in the right center is the dining hall and kitchen wing of the New Building to which was added last year the central portion and an additional wing. In the upper section of the picture is Whipple Field, where new baseball and football fields covering three acres are under development for junior athletic teams. These fields will be ready for use in the fall.*

*The varsity fields are out of the picture at the right, while the school golf course is just below the turnpike.*

Number 7

## ACADEMY OPENS WITH LARGEST ENROLLMENT IN ITS HISTORY

A total enrollment of 154 boys, the largest number in the history of the school, marked the opening of the 179th year of the Academy. This figure represents a total of 123 boarding students and 31 day students.

In analysing the 1941 enrollment it is interesting to note that despite the record enrollment there is a decrease from last year of about 15 boys in the Senior Class, which means an increased enrollment in the younger classes, particularly in the number of three and four year boys at the school.

Not only is the student body larger than ever before, but also the geographical distribution of the group is wider, and it covers almost every section of the country. The 123 boarders represent 18 states, with the largest single group, 52 boys, coming from Massachusetts. New York state ranks second with 21 students, Maine is third with 14, and New Hampshire is fourth with 7. Pennsylvania and Illinois each follow with 4; California, Connecticut, and New Jersey each with 3; and Florida, Vermont, and Ohio with 2. Six states have one representative, namely Tennessee, West Virginia, Kentucky, Maryland, Louisiana, and Michigan.

The 31 day scholars represent 10 towns in the vicinity of the Academy.

## ALL COLLEGE BOARD CANDIDATES SUCCESSFULLY PASS 1941 EXAMS

All candidates for college who took the College Board examinations in June, 1941, were successful in entering the colleges of their choice. This is the second successive year that all candidates under Plan B (New Plan) secured admission to the colleges they desired. In past years under Plan B (New Plan) boys were admitted to college by taking examinations in the four subjects studied during their senior year.

In June, 1940, Governor Dummer had nine candidates under Plan B, and in June, 1941, eleven candidates under Plan B. All twenty of these boys gained admission to college—twelve entering Harvard, six entering Yale, and two entering Princeton. These boys se-

## DISTRIBUTION OF GRADUATES IN COLLEGES OVER 11 YEAR PERIOD

The list below shows the number of Governor Dummer graduates entering college over an eleven-year period (September, 1931, to September, 1941, inclusive) and the distribution of these boys among colleges:

Boys entering colleges which ordinarily require College Board examinations:

Harvard	-	-	-	-	-	40
Massachusetts Institute of Technology	18					
Yale	-	-	-	-	-	10
Princeton	-	-	-	-	-	7

Boys entering colleges which ordinarily do not require College Board examinations:

Bowdoin	-	-	-	-	-	42
Williams	-	-	-	-	-	40
Amherst	-	-	-	-	-	38
Dartmouth	-	-	-	-	-	34
Brown	-	-	-	-	-	22
Colgate	-	-	-	-	-	12
Middlebury	-	-	-	-	-	12
Worcester Polytechnic Institute	-					12
University of Maine	-	-	-	-	-	11
Colleges receiving fewer than ten boys each	-	-	-	-	-	158

Total number of graduates entering college over the eleven-year period 456

cured in individual examinations thirteen "honor" grades and two "highest honor" grades.

During the same two-year period the school had five Plan A (Old Plan) candidates, who took a total of thirteen individual examinations, receiving two failing grades, seven passing grades rated as either "fair" or "good", three "honor" grades, and one "highest honor" grade.

In addition to the candidates listed above, the school has had five boys during the last two years enter the Massachusetts Institute of Technology without examination. In general the privilege of admission without examination to Technology applies only to candidates who rank in the highest 20% of the graduating class in schools which have qualified for this privilege.

## FIVE NEW MEMBERS ELECTED TO CUM LAUDE SOCIETY OF SCHOOL

Five new members were installed in the Governor Dummer Cum Laude Society when the annual banquet was held on Friday evening, May 29. The new members are Peter H. Klaussen, L. Brent Kuhnle, William E. Hill, Jr., Richard M. Sawyer, and Edward Whitley.

The purpose of the Cum Laude Society is to promote scholarship, and to recognize scholastic achievement. In secondary schools its function is comparable to that of the Phi Beta Kappa Society in colleges.

Those attending the banquet and initiation included Mr. James Duncan Phillips, Dr. Arthur W. Ewell, and the Reverend Glenn Tilley Morse of the Board of Trustees and several alumni members of the chapter. Paul Morgan, Norman C. Tronerud, Harold A. Knapp, Jr., and William H. Noyes, all of the Class of 1941, and Willard S. Little, Jr. of the Class of 1940.

The guest speaker of the evening was Mr. William G. Saltonstall, Head of the History Department at Phillips Exeter Academy.

## MR. MORGAN, MR. MORRILL ELECTED TO ACADEMY BOARD OF TRUSTEES

Mr. Philip M. Morgan of Worcester and Mr. Gayden W. Morrill of Newburyport were elected to membership on the Board of Trustees at a meeting held here on Friday afternoon, April 10.

Mr. Morgan is president of the Morgan Construction Company in Worcester and he is an active participant in civic affairs. He is a director of the Merchants National Bank, Worcester; chairman of the State Executive Committee of the Y. M. C. A.'s of Massachusetts and Rhode Island; and a member of the Board of Trustees of Springfield College. Mr. Morgan has long been active in the community welfare organizations of Worcester and is vice president and general campaign manager of the Community Chest of Worcester. He is also a director of the Worcester State Hospital. He served in the A. E. F. in the first World War and received the award of the Purple Heart. In the last election as a Republican nominee, Mr. Morgan was elected alderman of Worcester by an overwhelming majority.

Mr. Morrill was formerly mayor of Newburyport from 1932 to 1935. For many

## AIR RAID, BLACKOUT PRECAUTIONS OF SCHOOL TESTED BY DRILLS

The first major air raid drill was held on Sunday afternoon, February 22. The test of the precautionary system covered the entire Byfield and Newbury district and it was pronounced a complete success.

The air raid warning came to the school at 1:40 P. M. and within a few moments every boy was at his assigned place of safety. To simulate actual raid conditions and to test the efficiency of the Red Wing fire brigade an incendiary bomb was set off behind Moody House, and it was promptly extinguished by the use of a stirrup pump. An air raid victim in the form of a dummy was carried to the infirmary where Red Cross first aid facilities were organized. At 2:10 the all-clear signal was given.

A blackout test was held from 9:10 to 9:25 on the evening of February 26 in conjunction with a trial which was made over the whole North Shore area. Every light in the entire school was extinguished except for blue blackout bulbs on the first floor of each building. Pictures were taken from the top of Sunset Hill to discover any flaws.

Both the air raid and blackout drills attested to the efficiency of Mr. Stone and his assistant wardens, and the defense system of the school worked to perfection.

## FIVE EXCELLENT MOVIES SHOWN RECENTLY IN LANG GYMNASIUM

During the spring Mr. Barry has secured some fine, first-run screen features for the Saturday night shows in the Lang Gymnasium.

On April 4 "Son of Fury" with Tyrone Power and Gene Tierney was shown, on April 11, "How Green Was My Valley" with Walter Pidgeon and Maureen O'Hara, on April 25, "Nothing But the Truth" with Bob Hope and Paulette Goddard, on May 2, "Woman of the Year" with Katherine Hepburn and Spencer Tracy, and on May 9, "The Corsican Brothers" with Douglas Fairbanks, Jr. and Robert Warrick.

years he was a partner in Hollander and Morrill, Inc., manufacturers of automobile bodies. He is a director of the First and Ocean National Bank and a member of the Board of Investment of the Newburyport Institution for Savings. Mr. Morrill is also a member of the Selective Service Board.

## FOOTBALL AND SOCCER CLUBS HONORED AT CHRISTMAS DINNER

The varsity football and soccer teams were honored on December 16 at the traditional Christmas Dinner, which was held in the Lang Gymnasium. At this time Richard W. Williamson of Augusta, Maine, was announced as captain of the football team by Mr. Arthur W. Sager, head coach, and Harold O. Leinbach of Reading, Pennsylvania, was reported as soccer captain.

### *The Speakers*

Mr. Herbert A. Pickett, Headmaster of Cooperstown Academy and father of this year's football captain, was for the second year Toastmaster.

The feature speaker of the evening was Dr. Alfred E. Stearns, Headmaster-Emeritus of Phillips Academy in Andover.

Mr. William Avirett of Deerfield Academy also spoke on the program. Adrian Hasse of

the Class of 1939, captain-elect of the Amherst College football team, spoke briefly.

## ATTENDANCE OF EIGHTY COUPLES MARKS SUCCESSFUL SPRING DANCE

An attendance of 80 couples made the annual spring dance on Saturday evening, May 16, for the benefit of the *Milestone* the largest ever held here at the Academy.

Great credit is due Dance Committee Chairman Richard Coffin and his staff of assistants for making the affair such a success. Music was supplied by Alan Curtis and his orchestra, and new features were the singing of the Meistersingers and special dances arranged by acrobatic, energetic Coffin.

In the afternoon the boys and their partners saw a fast, well played baseball game with Kimball Union, which was followed by a tea dance. A formal dinner was then held in the dining hall.

### THE SCHOOL STORE IN THE NEW BUILDING

*Here boys gather to read, to listen to the radio, and to purchase food and general supplies from the store, which is managed by a committee from the student body. The school postoffice is at the left just out of the picture.*

Photograph by Bachrach

*The living room in the New Building was carefully planned for school meetings, Sunday vesper services, school receptions and dances. In this room have been placed the electric phonograph and 615 classical records presented to the Academy by the Carnegie Foundation. On the wall opposite the fireplace are bookshelves containing a browsing library.*

## MR. DALTON SUCCEEDS MR. LITTLE AS TREASURER OF THE ACADEMY

Mr. Marshall B. Dalton has been elected Treasurer on the Board of Trustees, succeeding Mr. Leon M. Little, Treasurer since the summer of 1930. Mr. Little, Vice-president of the New England Trust Company, will remain as a member of the Board and will continue to be active on the Finance Committee.

Mr. Dalton was elected to the Board of Trustees a year ago September. He is President and Director of the Boston Manufacturers' Mutual Fire Insurance Company and is also director of a number of other insurance companies and banks, among them the Merchants National Bank and the Boston Five Cents Savings Bank.

Mr. Dalton is a member of the Corporation of the Massachusetts Institute of Technology and is a member of the Fellowship Committee of the American Unitarian Association. He has been active in civic affairs and is now a director of the Boston Chamber of Commerce.

## DAY STUDENTS ATTEND DINNER, EVENING MEETING EACH FRIDAY

All the day boys now remain at school each Friday evening for dinner and for the evening meeting. The move was made to bring the day students into closer touch with the school.

The plan was first presented when all the parents of day students were entertained at the Academy for dinner on Friday evening, January 9. Coffee was served after dinner to the parents and faculty in the Cobb Room in the New Building and a current events talk was given by Mr. Harrison Lakin, a former member of the American Diplomatic Service.

The Friday evening meetings attended by the day students are usually featured by school singing and by a speaker who discusses some aspect of the international situation. Some of the speakers at these meetings have been the Reverend George Shepherd, adviser to Generalissimo Chiang Kai-Shek on the New Life Movement in China, and Mr. Frederic Stott, Mr. Daniel Jennings, and Mr. Benjamin Stone of the faculty.

THE GOVERNOR DUMMER GLEE CLUB WHICH PRESENTED A SERIES OF NINE CONCERTS DURING THE SCHOOL YEAR

*The 1941-1942 concert schedule included joint programs with six girls' schools: Rogers Hall, Abbot Academy, Walnut Hill School, the Bancroft School, Waynflete School, and Bradford Junior College.*

## GLEE CLUB FEATURED IN RADIO BROADCAST TO NEWBURY, ENGLAND

The first Glee Club concert of the year here at the Academy on Saturday evening, April 18, was featured by a half-hour radio broadcast direct from the Lang Gymnasium as part of a greeting from Newbury, Massachusetts, to Newbury, England. The concert was given in conjunction with the girls' glee club of Bradford Junior College in Bradford.

Through the facilities of WLAW in Lawrence the program was sent out direct to the New England radio audience and at the same time a record of the program was made which was rebroadcasted to Newbury, England, by shortwave over Station WRUL in Boston on Thursday afternoon, April 23, from 4:45 to 5:15 o'clock.

During the half-hour program the two clubs sang alone and in joint numbers, and greetings and messages were sent across by Martin H. Burns, Chairman of the Board of Selectmen of Newbury, by Miss Agnes Little, teacher at the Newburyport High School, and by Benjamin Pearson, Jr. and Nathaniel Dummer, students at the Academy. The script of the program was written by Mr. Mercer of the Governor Dummer faculty, and the boys' glee club was led by Mr. Sager with Mr. Stone as accompanist. The Bradford Glee Club was conducted by Mr. Frederick Johnson, a graduate of Governor Dummer with the Class of 1901, and the accompanist was Miss Merrill. The committee in charge of the broadcast consisted of Mr. Eames, Mr. Arthur S. Johnson, and Mr. Hallet W. Noyes.

The Bradford girls arrived at the school in the afternoon and following rehearsal, dinner was served for the boys and their partners in the dining hall. After the broadcast and concert a dance was held in the Cobb Room of the New Building.

### MORE BRIEFLY

On Saturday evening, December 6, the school was entertained by a concert given by the Siberian Singers, a very well-known group of nine male Russian vocalists. The program consisted of Russian liturgical, folk, and gypsy songs.

\* \* \*

During the winter term two trips with about 25 boys each were made to Boston to hear the Saturday evening concerts of the Boston Symphony orchestra.

## GLEE CLUB GIVES CONCERT IN THE WORCESTER MUSEUM OF FINE ARTS

One of the feature joint concerts of the Glee Club season was held on Saturday evening, February 28, in the Worcester Museum of Fine Arts. The concert was given with the girls' Glee Club of the Bancroft School in Worcester. An enthusiastic audience of 175 attended the event, including a number of parents of present and former Governor Dummer students.

The Worcester Art Museum provides a perfect setting for a concert. The club sang in the court of the building, which is ideally suited for such music as the acoustics lend themselves perfectly to the numbers. The appearance of the stage upon which the Clubs sing is made unusually attractive by a priceless tapestry which is hung as a backdrop.

The boys arrived in Worcester late in the afternoon, and a rehearsal was held with the Bancroft Club, which was directed by Mrs. Woods. Through the kind hospitality of Mr. and Mrs. Kingman, dinner was served at the Bancroft School.

## COMMENCEMENT FEATURED BY LIST OF OUTSTANDING SPEAKERS

The 179th annual commencement exercises were this year extended over three days, beginning on the evening of Thursday, June 4, and ending after graduation exercises on Saturday morning.

The two main features of the commencement program were the Commencement Dinner and the graduation exercises. At the dinner on Friday evening, June 5, which was attended by over 900 people, speeches were made by Dr. Lewis Perry, Principal of Phillips Exeter Academy, by the two new trustees, Mr. Philip M. Morgan and Mr. Gayden W. Morrill, and by the Right Reverend Henry Knox Sherrill, Bishop of the Protestant Episcopal Church in Massachusetts. Dr. Claude Moore Fuess, Headmaster of Phillips Academy in Andover, acted as Toastmaster.

### *Graduation Exercises*

Mr. James Duncan Phillips, President of the Board of Trustees, presented diplomas to 54 members of the senior class and to 6 post-graduate students at the graduation exercises on Saturday morning. The Reverend Boynton Merrill of the Second Church in Newton, West Newton, gave the graduation address.

STUDENTS HAVE CONTINUAL OPPORTUNITY TO RECEIVE INDIVIDUAL HELP IN STUDY PROBLEMS

## GIFTS PROVIDE VOLUMES FOR BROWSING LIBRARY IN COBB ROOM

A number of gifts have been received by the school as a start towards the development of a browsing library in the Cobb Room of the New Building. On the wall opposite the fireplace there are book shelves with a capacity of about 800 volumes, and here books are being placed for use by boys during their spare time or while waiting for meals. The first gift was given by Mr. Clarence L. Mortimer, father of Donald, a graduate with the Class of 1940, and John, a senior this year. The collection given by Mr. Mortimer is made up of carefully chosen representative types, covering many different fields of writing.

Mr. Arthur Wolff, father of Harry Wolff, a student here, has contributed 246 volumes of the Modern Library Collection, which contains a wide variety and selection of books. Money for the purchase of volumes has been

## ALUMNI NOTES

1939: John Koslowski was recently elected captain of the Dartmouth College baseball team. He is a leader in many activities at the college, being president of the Phi Gamma Delta fraternity, a member of Sphinx, the senior honorary society, and an executive on the inter-fraternity council.

\* \* \*

1939: Adrian Hasse is captain of the 1942 Amherst football team. He was also one of the winners of the Samuel Walley Brown Scholarship awarded to a member of the sophomore class who at the end of his sophomore year shall in the estimation of the Trustees rank highest in his class in character, class leadership, and scholarship.

received from Mr. Henry M. Payson, father of Henry Payson of the Class of 1939; from the Reverend William W. Patton, father of Russell Patton of the Class of 1934; and from the Reverend Richard A. Cartmell.

RED WING FIREMEN PRACTICE WITH HIGH PRESSURE HOSE

Photograph by William Monroe

*At the evening meeting on Friday, May 29, the 24 boys and 4 masters who made up the Red Wing Fire Brigade received certificates from the Massachusetts Department of Education for their successful completion of the 20 hour course of instruction which was given them by the state. The Brigade was named after the Red Wing, a hand pumper built in 1850, which was purchased for the school by Mr. Eames.*

## SCHOOL ORGANIZES FIRE BRIGADE ACTING ON REQUEST OF TOWN

The Governor Dummer fire brigade officially swung into action on Saturday morning, January 31, when it began a course of instruction at the Byfield Fire Station under the direction of Lieutenant Louis Larkin of the Somerville Fire Department. The courses have been given by the Massachusetts Department of Education.

The brigade was formed as a result of a request for aid from the Byfield Fire Department, which has had difficulty in securing voluntary firemen during the day time. Most of the able-bodied men in Byfield are now either in the service or engaged during the day in defense occupations and are therefore not available for call. Recently at a daytime fire in Byfield only two men responded to the fire call. To help remedy this situation, the Governor Dummer Brigade will hold itself ready to respond to a call between the hours of 7 o'clock in the morning and 7 o'clock at night. The two companies will work in shifts and will use the school truck for transportation. Each company will be equipped with

Indian pumps and will also be trained to use any of the equipment of the Byfield Department. The brigade will also be instructed to handle fires at the Academy which may result from air raids.

The course of instruction received by the members of the brigade has covered a ten week's period devoted to it. The dates and subjects for each lecture are indicated on the following schedule. All members of the brigade successfully passed the course and were certified by the state as auxiliary firemen.

Saturday, Jan. 31: Organization and Equipment  
 " Feb. 7: Fire Extinguishers  
 " Feb. 14: Throwing Ladders to Buildings  
 " Feb. 21: Laying Lines  
 " Feb. 28: Carrying Lines Over Ladders  
 " Mar. 7: Forest, Brush, and Grass Fires\*  
 " Apr. 4: Ventilation  
 " Apr. 18: Artificial Respiration and Pressure Points  
 " Apr. 25: Incendiary Bombs\*\*  
 " May 2: Review

Instructor: Lt. Louis Larkin.

\*Lecture by Mr. John Crowe, former Forest Warden with the Massachusetts Department of Conservation.

\*\*Lecture by Mr. Gerard Kent, instructor in science at the Arlington High School.

## SCHOOL IN WARTIME

The unsettled conditions of wartime are often severely felt in schools. It is very difficult to go along as before, for the boys become restless; it is hard for them to concentrate as diligently in their studies or to regard school life as seriously as they did in time of peace. But it is a tribute to the Academy here that this has not been the case.

The war has in many ways heightened and strengthened the morale of the student body. The boys understand that it is their duty to carry on better than before and to assist wherever possible in the war effort. Groups have aided in air raid patrols, in wastepaper conservation, in auxiliary fire brigades, and in effective rationing of sugar, all important and worthwhile war duties.

The high morale of the entire school has been apparent in many ways. For instance the day students are participating in the life of the Academy to a greater extent than ever before. They now attend one evening meeting a week, and an indication of increased interest on their part was provided at the school dance when a large number of the boys came back to attend this event.

Looking back over a very successful school year it is possible to conclude that in many ways war periods have some advantages, for they serve to jog youth into action and to bring out the best in the present generation. They also toughen up the youth of today. Boys must work harder, think harder, and exercise harder. There is no place for softness now.

E. W. S., 3rd

## CHURCH AND SCHOOL LEADERS

### SPEAK AT SUNDAY VESPERS

Every Sunday evening throughout the school year a Vesper service is held in the Cobb Room of the New Building. The service consists of hymns sung by the student body and a short talk given by some notable speaker. Among the speakers this year were the following:

The Reverend Palfrey Perkins of Kings Chapel, Boston.

The Reverend Wallace W. Anderson of the State Street Congregational Church, Portland, Maine.

The Reverend William W. Patton of the Glen Ridge Congregational Church, Glen Ridge, New Jersey.

The Reverend John Crocker, Headmaster of the Groton School, Groton.

The Reverend Everett C. Herrick, President of the Andover-Newton Theological School, Newton Center.

Dr. J. Seelye Bixler, Professor of Theology at Harvard University and President-elect of Colby College in Waterville, Maine.

The Reverend Raymond Calkins of the First Church Congregational, Cambridge.

Mr. Paul Nixon, Dean of Bowdoin College, Brunswick, Maine.

The Reverend Herbert Gezork, former Baptist Youth Movement leader in Germany, now Professor of Theology at the Andover-Newton Theological School and at Wellesley College.

Dr. Richard M. Gummere, Chairman of the Committee on Admissions at Harvard University, Cambridge.

## CALENDAR FOR PAST SCHOOL

YEAR: 1941-42

*Thanksgiving Recess:* Wednesday noon, November 19, to Sunday, November 23, at 8:30 p. m.

*Christmas Vacation:* Wednesday noon, December 17, to Monday, January 5, at 6:30 p. m. Regular classes on Saturday, January 10.

*Spring Vacation:* Wednesday noon, March 11, to Thursday, April 2, at 6:30 p. m. Regular classes on Saturday, April 4.

*Final Examinations:* Monday, June 1, through Thursday, June 4.

*Commencement Exercises:* Thursday evening, June 4, through Saturday morning, June 6.

## ATHLETIC TEAMS IN ACTION

Photograph by Robert Simon

HOWARD STIRN CLEARS THE BAR TO GAIN FIRST PLACE TIE IN HIGH JUMP

### GOVERNORS THREATEN CONSTANTLY BUT DEERFIELD ELEVEN WINS 7 TO 0

Governor Dummer ended its 1941 football season by losing to Deerfield 7 to 0 at Deerfield on November 14. The game was a very disappointing one to lose, for the Governors threatened to score time after time only to be held back by the superior, hard-charging Deerfield line.

The Governors received the kickoff and after failing to gain Captain Bob Pickett kicked to Moakler, who ran the ball back to the Governors' 30 yard line. Five plays later Buchan went over for the score and the extra point try was successful.

The Governor Dummer eleven staged a march at the beginning of the second period, finally being stopped on Deerfield's 20 when Moakler intercepted a pass. When Deerfield attempted to quick-kick, Dick Coffin blocked the ball, which was recovered by Ted Stitt on

the 14. The ball was then carried to a first down on the 3 yard line, but all to no avail as the Governors failed to gain through the home team's line.

### WRESTLING TEAM TIES ANDOVER VARSITY GRAPPLERS BY 16-16 SCORE

The wrestling team tied the Andover varsity 16 to 16 at Andover on January 28.

Payson Gordon started the team off on the right foot by winning a decision in the 121 pound class. The next four bouts, however, were lost when Jim Damon in the 128 pound class was pinned, as was Alex Dalglish in the 145 pound class. Dick Meriam at 136 pounds and Cy Savage at 155 lost decisions.

In the heavier classes the Governors made a clean sweep. Captain Norton Cushman won by a decision in the 165 pound class, and Harry Barr at 175 pounds and Bob Pickett in the unlimited class both secured falls.

*Captain Bob Pickett practices place-kicks as  
Jason Starr holds the ball.*

### BASKETBALL TEAM RUNS UP HIGH SCORE AGAINST MILTON ACADEMY

Milton Academy was defeated 56 to 24 in the Lang Gymnasium on February 14 by the high scoring basketball five. A fast pace was set in the opening period as the Governors made 17 points to Milton's 2. Bob Kelly's accurate long shots were a feature of this spurt.

Continuing to show their offensive strength in the second period, the team made the score 27 to 11 at the half. Milton rallied after the intermission, but the Governors soon regained the dominating roll, moving out ahead 38 to 22 going into the final stanza. As the game drew to a close Milton was able to score only one basket against 18 points.

### CAPTAIN JARVIS SINKS TALLY TO DEFEAT M. I. T. FRESHMEN BOOTERS

The soccer team defeated the M. I. T. freshmen 1 to 0 at Cambridge on October 29.

Captain Dave Jarvis duplicated his 1940 performance at M. I. T. by winning the game for the Governors with a first period goal. After two minutes of play in which the visitors carried the attack, Jarvis drove home a powerful shot for the sole tally.

### SCHOOL HOCKEY CONFERENCE AT SKATING CLUB IS GREAT SUCCESS

The Private School Hockey Conference held at the Boston Skating Club on January 1, 2, and 3 was a tremendous success. With eight preparatory schools participating, namely Belmont Hill, Thayer Academy, Browne and Nichols, Roxbury Latin, Noble and Greenough, Pomfret, Brooks School, and Governor Dummer, there was much spirited competition and valuable instruction and practice.

The conference opened with a luncheon at the Hotel Continental in Cambridge. After the luncheon George Canterbury, coach of the Harvard goalies, Bill Stewart, former manager of the Chicago Blackhawks and National Hockey League referee, Floyd Vaughan, Boston University hockey coach, and George Owen, former professional hockey player and coach at M. I. T., all gave short talks to the boys. In the evening the first games were played.

On January 2 Canterbury, Gallagher, and Owen gave demonstrations and instruction in their particular specialties, which was followed by a practice session for all the teams. Games were again played in the evening.

The feature of the final day was the practice session held by the Boston Bruins.

Photograph by John Lawson

under the Kimball Union basket.*

## GOVERNORS' BASEBALL TEAM LOSES INITIAL GAME TO GROTON SCHOOL

For the first time in a number of years the baseball team lost its opening game to Groton School 7 to 3 at Groton on April 18.

The very first inning decided the contest as the Governors' infield had the early season shakes and four opponents' runs crossed the plate on one hit and several misplays. Captain Dave Jarvis, who started the game on the mound, was relieved with two outs in the first inning by Jason Starr. Starr did a fine job of relief hurling.

## UNDEFEATED MILTON TRACK TEAM OUTRUNS GOVERNORS 67 TO 41

The undefeated Milton Academy track team outran the Governors 67 to 41 at Milton on Saturday, May 30. The only first place winners for the Red and White were Roger Hargreaves in the mile and Captain Harry Barr in the javelin.

## GOVERNOR DUMMER LACROSSE TEAM CONCLUDES SEASON

The lacrosse team successfully closed its season by defeating Kimball Union 4 to 3 at Meriden, New Hampshire, on Saturday, May 30.

Kimball Union provided unexpectedly hard opposition, and after a see-saw first period the score was tied 3 to 3. From the beginning of the second period until the closing seconds of play neither team was able to score again due to the brilliant play on the part of both goal tenders.

## LINKSMEN FARE WELL IN TOTAL SCORE ANDOVER, EXETER MEET

In the first two matches of the total score meet between the Governor Dummer, Exeter, and Andover golf teams, which were played at Exeter and at Andover, the Governors assumed a good lead, seemingly out in front enough to win easily.
